J'ai vérifié le bilan du Nouveau parti démocratique au 31 décembre 2004 et les états des revenus et dépenses, de l'avoir des membres et de l'évolution de la posture financière de l'exercice terminé à cette date. La responsabilité de ces états financiers incombe au Nouveau parti démocratique. Ma responsabilité consiste à exprimer une opinion sur ces états financiers en me fondant sur ma vérification.

Ma vérification des états financiers du Nouveau parti démocratique a été effectuée conformément aux normes de vérification canadiennes généralement reconnues. Les normes exigent que la vérification soit planifiée de manière à fournir un degré raisonnable de certitude quant à l'absence d'inexactitudes importantes dans les états financiers. La vérification comprend l'examen par sondages des informations probantes à l'appui des montants et des autres éléments d'information fournis dans les états financiers. Elle comprend également l'évaluation des principes comptables suivis et des estimations importantes faites par la direction.

À l'instar d'autres partis politiques, la plupart des revenus du Nouveau parti démocratique dérivent de contributions, dont l'achèvement n'est pas susceptible à une vérification satisfaisante. Par conséquent, ma vérification des revenus s'est limitée aux traitements comptables des reçus tels que versés aux livres comptables de le parti et je n'ai pu déterminer s'il fallait ou non limiter les revenus provenant des contributions, l'excédent des revenus sur les dépenses, les avoirs et les surplus.

À mon avis, sujet aux limitations, ces états financiers présentent fidèlement, à tous égards importants, la situation financière du Nouveau parti démocratique au 31 décembre 2004, ainsi que les résultats de ses activités pour l'exercice terminé à cette date selon les principes comptables canadiens généralement reconnus.

Auditor's Report  
(Pursuant to Section 424 of the Canada Elections Act)

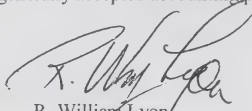

New Democrats of Canada Association  
300 - 279 Laurier Avenue West  
Ottawa, Ontario  
K1P 5J9

I have audited the balance sheet of the New Democratic Party as at December 31, 2004 and the statements of revenue and expenses, members' equity, and financial transactions return for the year then ended. These financial statements are the responsibility of the New Democratic Party. My responsibility is to express an opinion on these financial statements based on my audit.

My audit, of the financial statements of the New Democratic Party, was conducted in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management.

In common with other political parties the New Democratic Party derives most of its revenue in the form of donations, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, my verification of these revenues was limited to the amounts recorded in the records of the Party and I was not able to determine whether any adjustments might be necessary to donation revenues, excess of expenses over revenue, assets and surplus.

In my opinion, subject to the above limitation, these financial statements present fairly, in all material respects, the financial position of the New Democratic Party as at December 31, 2004 and the results of its operations for the year then ended in accordance with Canadian generally accepted accounting principles.
